Date 9<sup>th</sup> June 1934

My dear Sir Mirza,

I have much pleasure in forwarding herewith a letter from M<sup>rs</sup> C. Venkatasubbiah Lakshmi devamma making known a definite offer on her part to donate a sum of Rs 50,000 towards the establishment of a children's Hospital in Bangalore City. She says she will pay one half of the amount now and the other half in two equal instalments a little later. I hope Government will not mind this mode of payment. M<sup>rs</sup> Lakshmi devamma is particularly anxious that the building work should be undertaken without delay from the moiety now given. As the balance of the donation is absolutely certain to come, I hope there will not be any difficulty in meeting her desire. I request that a very early intimation of acceptance may kindly be conveyed to the lady. Also a short letter from your setty may perhaps add to their joy. M<sup>rs</sup> Srinivasa setty and his sister will gladly wait on you

Bangalore City,

9th June 1934.

Amin-ul-Mulk Sir Mirza M. Ismail,  
Kt., C.I.E., C.B.E.,

Dewan of Mysore, Bangalore.

Respected and Dear Sir,

In connection with the foundation of a Children's Hospital for Bangalore City in the names of both my husband the late Mr. Chintalapalli Venkatamuniah Setty and myself, I beg to state that in view of what Mr. Justice M. Ramachandra Rao has spoken to me in the matter, I have resolved to place a sum of Rs.50,000/= in your hands for the purpose. The object is a great one and I feel that it is one well worthy of favourable consideration at the hands of Government. It is my desire that the Hospital should be named as the -- C. Venkatamuniah Setty Lakshmiidevamma Children's Hospital. I take it that in the normal course a stone tablet making prominent mention in it of the name of the Hospital will be put up at a convenient spot in the front wall of the building. Perhaps also the Government will take the usual step of putting up a cement board containing the name of the Hospital in a prominent part of the compound facing the public road. It is also my desire that a couple of oil paintings representing my husband and myself should through your kindness be allowed to grace the halls of the Hospital.

Immediately I have news that Government receives with favour the above proposal, arrangements will forthwith be made to place at their disposal Rs.25,000/= as a first instalment to begin work with. The other

moiety

2.

moiety of Rs.25,000/= will be handed to Government in two equal instalments of Rs.12,500/- each, one by the end of June 1935 and the other by the end of June 1936.

I would have been very glad to have made the whole amount available at once but the prevailing trade conditions, as you know, are such that a slight delay cannot be avoided. But I hope and trust that the initial payment of Rs.25,000/= will enable Government to start work at once.

In this connection I cannot but say how deeply beholden we - my brother and myself - are to you for your uniform kindness <sup>towards</sup> ~~to~~ us in the past and now. You have been so good to us in regard to the other charities which I have been able to make and I feel sanguine that the present donation towards another public charity will prove acceptable to you -- personally and to His Highness' Government. The idea of such a charity ~~we~~ owe to you and to our respected family friend Mr. Ramachandra Rao. We also owe it as a duty to ourselves to express our warm gratitude to you both on this occasion.

With sincere regards,

I beg to remain,

Sir,

Yours sincerely,
